

## CHAPTER 8 | LESSON 2 Growth of Japanese Culture

**Activity Sheet****Part A. Build Vocabulary**

**Key Terms** Use the spaces below to make a drawing that helps you remember the meaning of each of the key terms.

noh	kabuki	haiku

**Part B. Cooperative Work**

Work individually and then with your group to fill in the first two columns of the Anticipation Guide by predicting whether each statement is true or false. Fill in the third column after you have read the entire lesson. Correct any false statements.

You	Group	Textbook	Topic—Growth of Japanese Culture
			1. The Japanese followed only one form of Buddhism—Zen Buddhism.
			2. The Chinese adopted Japan’s writing system.
			3. The world’s first novel was written in the 800s by a Japanese woman.
			4. Japanese poetry tends to be longer and more complex than the poetry of other cultures.
			5. Japanese painters focused on scenes of nature, rather than depicting historical events or scenes of daily life.
			6. Gardening and flower arranging are important arts in Japan.
